Hello everyone and welcome to a new service and topic of spiritual mentoring. My name is Princess Claire. I have been doing this for a long period of time since the year of 2007. It includes clairvoyance and mediumship. What is it? It is mentoring and guidance about your current life situation of love, profession or career, money and health, family and friendships with the presence of other spirits.

This spiritual mentoring is very useful for you and your family. It will guide you on a right path and it will help you down the road. I had helped people before with spiritual mentoring and they were guided on a right path and they have succeeded in what they were aiming for.

The spiritual mentoring services are held here with me in the Pokrov chatroom. My schedule is as follows:
