After more than six months, as the site "Help with the situation" was closed. It was re-opened in a new form.

This website is created in dedication to the solution of different life problems. A person can put their life stories on this site and discuss them with others, and in return receive tips and advice that could help in a solution of tough life problems..

Read the stories of others, advise them and work together to solve problems! Furthermore, find ways out of the most difficult situations. In addition, everyone is invited to this website- who is willing and able to help others without holding revenge or anger. They can be psychologists, reverends, lawyers, psychics, and anyone who has huge life experience.

The best forum is installed on this website, where a visitor can register, and post different topics, vote for the topic, keep in touch with other visitors, put their information in the profile, view any posted information, and profiles from other users, and much more.

Welcome everyone to [Help With Situation!](#)
